3. Regional coverage of the CSOs in Ghana

ACKNOWLEDGEMENT

The present mapping is commissioned by Stop TB Partnership through the Ghana National TB Voice Network as part of a project to support the strengthening or creation of a strong and meaningful TB community in Ghana within the framework of the CFCS initiative financed by the Stop TB Partnership (challenge facility for civil society).

Information gotten from the National TB Control Program (NTP), Stop TB partnership Ghana, CCM, Participant NGO's, other stakeholders like Coalition of NGO's in health and West Africa Aids Foundation (WAAF) etc. is highly appreciated.

We are thankful to them for their coordination during data collection, feedback and to Stop TB Partnership (challenge facility for civil society) which we heartily acknowledged the financial support to make this directory a success thanks.
